Learn more about the awards ,Read more About Soren (Jim Sturgess), a young barn owl, is kidnapped by St. Aggie's Owl, supposedly an orphanage where owls are brainwashed to become soldiers. He and his new friends escape to the island of Ga'Hooole to help their noble, wise owls who fight an army created by the wicked rulers of St. Aggie. Plot Summary (en) Plot Synopsis Owl Escape (en) soldier (en) ruler of the barn owl See all (41) Slogans: On the way to finding a legend ... he's going to be one of them. Certificate: K-11 View All Certificates of Parents Guide: View Content Advisory Edit Jim Sturgess admitted in an interview that this is the first 3-D film he has ever seen. Read more: Some of the types of soy shown in the film are not found in Australia, where it is installed. This is because the original books were installed in North America. Read more: Soren: With the restoration of peace, it's time for celebration, and recognition that our small group of soms, which have fate and storm blown into the tree, are now standing before their king and queen as young Guardians. We are ready, at last, with all our heart to take this ancient oath: to defeat those who are broken, to make the weak strong, and without hesitation, to defeat evil. For, as we know, Nira escaped. And Cludd? Well, Cludd was never found. Should I stop? Pete: What? Please don't stop! Soren: I don't want to give anyone ... [...] Read more about this in the 3D version.
